1. Events - ACT's in April 2020 Brissago, Lugano and Ascona

We already informed a week ago that the Super League Act 1 from 3rd to 5th May 2020 in Brissago will not take place at this date. Due to the worsening of the corona situation, we decided yesterday to also cancel the subsequent acts in Ticino.

The following Sailing League ACTs are currently postponed:

- April 03.-04.4.2020, Super League Act 1, Brissago
- April 18.-19.4.2020, Challenge League Act 1, Lugano
- April 25.-26.4.2020, Promotion League Act 1, Ascona

We are trying hard to find replacement dates for the canceled events in the second half of 2020. As soon as we have these dates, we will inform you.

2. Events after April 26th, 2020

Regarding our Events after April 26th, we are currently optimistic that those ACTs in Lucerne, Brunnen and Spiez can be carried out as planned. Of course, we will comply with the instructions of the Federal Council at any time and reserve the right to postpone or cancel more SSL ACTs if necessary. In this regard, we are in contact with the implementing clubs and the relevant authorities. We will send you an update not later than **April 14th**.
