

Update **16**

2021

20.03.2021

1. Events April 2021 in Ascona

With great regret we must postpone the 2 first events in 2021, namely ACT 1 of the Swiss Sailing Challenge League, 17.4.2021 and ACT 1 of the Swiss Sailing Promotion League, 25.4.2021 due to Covid-19 restrictions, confirmed again by the Federal and Cantonal governments on March 19, 2021. The SSLA board is now trying to find alternative dates and locations in order to organize these events, or in the worst case, to cancel these two events.

2. Super League event 2021 May 1-2 in Ascona

At the moment, we don't want to postpone this event. It is our intention to clarify the possibility to perform this event with the various authorities. We are expecting to communicate the decision to you during the week after Easter.

3. Extraordinary General Assembly SSLA, 31th March 2021, 19:00

We encourage all those members not having registered their participation yet, to do so. Email to Philipp.Koch@firstframe.net is appreciated.

Important:

Please note that the date has changed. The correct date is **March 31, 2021, 19:00** online.

4. BIPS

You may need new BIPS, with or without sponsors. Please let us know your order before Easter, attn. markus.k.blaesi@swisssailingleague.ch, so that we can order it on time for you.

Best regards, Philipp Koch
President Swiss Sailing League Association
