2020

May 27. 2020

Dear SSLA members, friends, and officials.

We like to inform you about news and updates regularly. Please read this Swiss Sailing League update carefully and do not hesitate to contact us if you have any questions. Looking forward to seeing you soon and healthy at an upcoming SSL Event.

1. Second half of the Season 2020

We are convinced that SSL will start the season with the Super League Event in Davos, Aug 22-23, 2020, and then continued by all the other defined events. Even the program 2020 is reduced the Swiss Sailing Club Champion will be defined at the Final in La Neuveville. The results of the events will be decided upon the promotion and relegation 2020.

2. SSL Cup 2020 Ascona

To recover some of the lost days due to Covid-19, the board of SSLA has launched for the first time the SSL Cup. We made a survey and found noticeable interest. The registration is now open and we thank the teams that participated at the survey:

Clubs from the Super, Challenge and Promotion League, Youth Teams, Women Teams, and also "newbies" are very welcome.

3. SSL Women Cup 2020

From October 16-18, 2020, the SSL Women's Cup will take place, also in Ascona. The NoR is in the elaboration and will be published soon.

4. SSLA Strategy '23 meeting

The SSLA board will spend one day in June to determine the SSL strategy for the next 3-4 years. It is planned to set up towards the end of August 2020 an extraordinary General Assembly - of course via Videoconferencing - to present the strategy and get your constructive comments. Possibly that some preliminary decisions are then requested. The ordinary **General Assembly** is scheduled for **28 November 2020**.
