

Update6

2020

April, 11. 2020

Dear SSLA members, friends, and officials.
we like to inform you about news and updates regularly. please read this swiss sailing league update carefully and do not hesitate to contact us if you have any questions. looking forward to seeing you soon and healthy at an upcoming SSL Event.

1. cancellation of SSLA ACTs in May 2020

The current situation around the extraordinary time regarding Corona Virus forces us again to cancel upcoming SSLA events. The SSLA board has decided to cancel also the following events:

- Challenge League ACT II, Lucerne, May 2. - 3.2020
- Promotion League ACT II, Brunnen, May 9. - 10.2020
- Superleague ACT II, Spiez, May 16. - 17. 2020

Now we really hope to start the SSLA season 2020 with the Swiss-Sailing Youth Cup on July 17th in St. Moritz. Until then we will continue to monitor the current situation and inform you promptly.

2. Postponed Ticino ACTS

Unfortunately, we were unable to find suitable replacement dates for the first ACTS, which would have taken place in Ticino in April 2020, in the second half of 2020. The overlaps with other regattas are huge and the regatta calendars of the clubs are already quite full of sailing events. We have no choice but to definitely cancel the events.

3. Compensation of Registration Fees 2020

The board of the SSLA is constantly busy with recording the financial damage according to the canceled Events. We are of course also discussing whether to partially or fully credit the SSLA clubs with the registration fees already paid or to refund them. As soon as we find a decision, we will contact the clubs.
